

Ballymena Old Churchyard

Plot Owners c1875-1935+

This is a compilation and cross referencing of 3 existing records: Plot owners book and separate alphabetical index, both of which were damaged in a fire and have burnt edges losing some information. Also a transcript made after the fire to replace the original. Earliest of the few dates recorded is 1875 which predates the register to before the transfer of the graveyard to the Council from the Representative Church Body in 1896. Transfers are shown in red. Notes added for this transcription are shown in blue.

No transfers or graves registered are recorded in the last 75 years, the last being 1935.
