

## Drummaul Graveyard

### Plot Owners c1875-1937

Plot numbers given are the original system compiled in order of registration and are located randomly throughout the graveyard. They are not to be confused with the current individual grave numbers.

Nos.1 to 200 are in similar handwriting suggesting they were compiled simultaneously, higher numbers are newer registrations often with the fee or date of registration (from 1901) entered in the distinctive marks column. Transfers and alterations are shown in red.

All transfers and graves registered in the last 75 years are not included.
